Orlando Museum of Art

Dear Friends of the Festival,

Welcome! The Council of 101 is pleased to present the 2011 Festival of Trees for the 25th year. We are so glad you have chosen to attend this wonderful Central Florida holiday tradition that benefits the nationally accredited Orlando Museum of Art (OMA).

As you stroll through the OMA, you will be visiting an amazing wonderland. The galleries are filled with elaborately decorated and themed trees and vignettes created by local artists, businesses and designers. Uniquely custom designed centerpieces, wreaths and garlands fill the Deck the Halls area with items for sale to brighten your home or office. A unique shopping boutique showcases local merchants' one-of-a-kind holiday items and furnishings that make it the perfect place to begin and end this season's shopping. A children's wonderland is filled with creative crafts, fun games, a gift shop and, of course, jolly ole' Santa is there to greet children of all ages in Toyland Town. Local professional bakers design magical gingerbread houses for display and sale in the always popular aromatic Gingerbread Village. The Festival's lovely outdoor garden area offers the special blooms and foliage of the season. Relax and enjoy a light lunch with your friends and family in a holiday setting in our Festival Café.

The Festival's Special Events offer additional opportunities to experience the sights, sounds and spirit of the season. The opening night Mad Mod Gala will step back in time to the 1960's, the days of Camelot, the Rat Pack, and TV's Mad Men. The Reindeer Romp is a family fun evening filled with all the excitement of the holidays including a visit from Santa arrayed in his best suit. The Holiday Stroll is a popular event featuring live music and tasty treats as guests experience the many joys of the Festival.

First presented in 1986, this nine-day holiday event is now enjoyed by more than 20,000 people every year in mid-November. This traditional event has been made possible by the hundreds of community volunteers who donate thousands of hours to transform the OMA into a magical wonderland. The support of our numerous corporate and private sponsors, creative designers decorating amazing holiday trees and the partnership of generous community businesses ensure the success of this unique fund raising project. We are extremely grateful for all of their support.

We encourage you to be a fan of the Festival of Trees on Facebook at www.facebook.com/FestivalofTreesOMA and follow us on Twitter.

We thank you for your support and wish you all the best this holiday season.
